Lee Relvas' 'Some Phrases' at Callicoon Fine Arts, New York

BY BLOUIN ARTINFO | MAY 10, 2017

"Some Phrases," an exhibition of works by artist Lee Relvas (b. 1981) will run through May 21, 2017, at Callicoon Fine Arts, New York.

The selection of works on display features sculptures by Relvas that evoke three-dimensional drawings, handwriting as a record of thinking, meandering lines of music, and the everyday choreography of gesture. Created from construction-grade plywood, and joined with epoxy putty, a substance often used in plumbing, these materials are transformed from disposable renovation materials into life-sized physical presences. Relvas' body of work looks for a language that speaks through body movements, gestures, and actions.

The exhibition is on view at Callicoon Fine Arts, 49 Delancey St, New York, NY 10002, USA.
