SUNDAY, FEBRUARY 17

Opening: Nicholas Buffon at Callicoon Fine Arts

Nicholas Buffon will present an exhibition of sculptures and paintings inspired by vehicles the artist saw near his home in New York's East Village neighborhood. Buffon is known for documenting the New York cityscape—in the past he has created foam-based sculptures that serve as celebrations of historic storefronts, such as that of the bookstore Housing Works and the famed Stonewall Inn bar. Buffon's latest works continue his interest in the shapes and forms of urban environments.

Callicoon Fine Arts, 49 Delancey Street, 6–8 p.m.
