SUNDAY, MAY 12

Opening: Harry Dodge at Callicoon Fine Arts

For his first show at Callicoon Fine Arts, the Los Angeles-based artist Harry Dodge presents new and recent work that continues his interest in the relationship between oppositional ideas such as the mixing of advanced and simple technologies. Works include mixed-media table-top sculptures, drawings, and a new animated video, *Late Heavy Bombardment*, with a focus on the state between defense and preemptive aggression.
